PROFESSIONAL PAINTING SERVICE รับเหมาทาสี

THAILAND'S PREMIER PAINTING CONTRACTOR
WITH OVER 50 YEARS OF EXPERIENCE

Specializing in Residential and Commercial Buildings as well as Industrial Projects

paintworks

REASONS FOR CHOOSING PAINTWORKS FOR YOUR PRESTIGIOUS PROJECTS

Paintworks is a full-service residential, commercial and industrial painting contractor with over 50 years of experience whether they be hotels, resorts, private homes, condos, hospitals, schools, factories, tanks or pipes. We have a team of well-trained Sales, Paint Technicians and Painters who can solve all your coating problems step-by-step.

1 FULL PRE-PAINTING SITE EVALUATION

For renovation projects, our Sales and Paint Technicians will visit the site to measure painting areas as well as observe painting substrates or survey any challenges facing the projects. For new construction, our Paint Technicians can help calculate painting areas from the drawing.

2 EXPERT COLOUR SCHEME CONSULTATION

Our Colour Consultants can help turn your home into a masterpiece you'll be proud of. We can provide insight on the latest colour trends, match your pre-existing décor, guide in finding your own personal style and/or just give a second opinion on the colour choices you've already made.

3 PAINT SPECIFICATION RECOMMENDATION

Our Paint Technical Service will identify any problems associated with the painting areas (if any) and specifying appropriate paint.

4 PREMIUM QUALITY PRODUCTS

We only use **Sherwin-Williams**, The World's Best Selling Paint brand from USA and **Sirca**, Italy's wood coating specialist. Both brands incorporated the best in coating technology.

5 ALL INCLUSIVE PRICE QUOTATION

6 REGULAR SITE INSPECTION

- We incorporated the best in application technique and application equipments as required by Sherwin-Williams, Sirca, NACE, PDCA, ASTM and SSPC.
- Our Paint Technicians will ensure that the paint is applied in accordance to international stringent requirements.

7 100% WARRANTY

We stand by the quality of our products and workmanship by offering performance warranty for all our projects.

8 SAFETY

At Paintworks your safety and the safety of all our employees is very important to us.

- All employees must comply with our Operational Health & Safety Management Plan (OH & SMP), customers' applicable laws and regulations, and our Environmental policies and Environmental Management Plan (EMP) including control the release of hazardous material, properly handle waste material and stop the installation of any material or the execution of any work where the health, safety or environmental exposure is unacceptable.
- All employees are continuously trained to use products and equipment safely
- Carry comprehensive worker's compensation and liability insurance
